

GAURI VERMA

Greater Noida, Uttar Pradesh

+91-9927568594 — gauriverma992756@gmail.com — [LinkedIn](#) — [GitHub](#) — [LeetCode](#) — [Portfolio](#)

Summary

Fourth-year Computer Science Engineering student with hands-on experience in software development and iOS application development. Skilled in Java, Swift, SQL, and Data Structures Algorithms, with experience building real-world applications and solving LeetCode problems.

Education

Galgotias University

Bachelor of Technology in Computer Science & Engineering

Greater Noida, Uttar Pradesh

Expected May 2027 — CGPA: 8.7/10

Experience

Infosys

iOS App Development Intern

May 2026 – July 2026

Mysuru, India

- Developed native iOS applications using Swift and SwiftUI following Apple's Human Interface Guidelines.
- Built reusable SwiftUI components to create responsive and consistent user interfaces.
- Collaborated with mentors using Git and GitHub for version control and code reviews.
- Debugged, tested and optimized application performance to improve user experience.

Projects

TimeLeap – Educational iOS Application | *Swift, SwiftUI, Xcode* GitHub App Store

- Developed and published TimeLeap, an educational iOS application on the Apple App Store using Swift, SwiftUI, and Xcode.
- Designed reusable SwiftUI views following Apple's Human Interface Guidelines.
- Implemented intuitive navigation and interactive UI components to enhance user engagement.
- Managed source code using Git and GitHub.

Weather Forecast Web App | *HTML, CSS, JavaScript* GitHub

- Developed a responsive weather application using HTML, CSS and JavaScript.
- Integrated the OpenWeather API to fetch and display real-time weather information.
- Designed a mobile-friendly interface with dynamic weather icons and responsive layouts.
- Implemented error handling for invalid city names and API failures.

Technical Skills

Programming Languages: Java, Swift, SQL, C

Frameworks: Spring Boot, SwiftUI

Databases: MySQL

Developer Tools: Git, GitHub, Xcode, IntelliJ IDEA, VS Code, Jira

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems

Achievements

- Selected as an iOS App Development Intern at Infosys.
- Qualified Smart India Hackathon (SIH) 2025 Pre-Qualifier Round.
- Solved 300+ Data Structures & Algorithms problems on LeetCode.
- Recognized in Hackmania Ideation Round (The Elites 2025) for innovative problem-solving.

Certifications

- Infosys Springboard – Software Engineering and Application Lifecycle Management (ALM)
